### From the CHAIRMAN

The Village of Hinsdale remains a vibrant community for families as well as businesses to thrive and grow, but most importantly to call home. The 2025 Hinsdale Chamber of Commerce Community

Guide is a resource to learn more about local shops, restaurants, services and not-for-profits as well as events and activities throughout the year. All businesses, regardless of size, play a vital role in creating a desirable destination for visitors as well as residents.

I would like to take a moment to thank Eva Field.

who retired at the end of 2024. Eva's commitment and contributions over the past 20 years to the local Hinsdale business community have been invaluable. The Chamber of Commerce has thrived due to Eva's dedication and passion to make Hinsdale a better place. Best of luck in your future endeavors, Eva, and we welcome Amanda Wagner as our new CEO, who has been with us for the past few years in prior roles.

Our signature events were well-attended in 2024 and we hope you join us again in 2025. Summertime events include the Fine Arts Festival in June, Farmers Market (Mondays in June through October), Uniquely Thursdays (June to August), and the Sidewalk Sale

in July. The sixth annual Wine Walk and the Fall Festival, both in October, as well as the beautiful Christmas Walk in December, all represent ways to support local merchants and enjoy all Hinsdale has to offer.

We encourage all community members, visitors, merchants and shoppers to stay connected to events and activities by signing up for the Chamber's newsletter at hinsdalechamber.com. In addition, sign up to receive weekly discounts, coupons and specials from area Chamber members.

A collaborative partnership between

Working together, we ensure Hinsdale remains a desirable and enjoyable destination.

### Village BOARDS & COMMISSIONS

#### **Boards & Commissions**

### **Board of Police and Fire Commissioners**

The three-member board is responsible for hiring, promoting and disciplining police officers and fire fighters.

### **Economic development** commission

The seven-member commission recommends plans and actions to expand the village's tax base and increase the village's sales tax revenues.

### Firefighters' pension fund board

The five-member board has control of the management of all funds belonging to or designated by law as part of the firefighters' pension fund.

### Foreign fire insurance board

The four-member board

manages and administers the money in the Foreign Fire Insurance Fund. Pursuant to state law, the fund receives its monies from a state tax imposed on fire insurance policies written by insurance companies domiciled outside of the state of Illinois.

### Historic preservation commission

The seven-member commission works to assist the village board in the preservation, protection, enhancement, rehabilitation, reconstruction or use of historic structures, sites or areas in the village, and to educate the residents regarding the importance of historic preservation.

### Parks and recreation commission

The seven-member commis-

sion advises the village board on matters relating to plans and programs for village parks; reviews the acquisition, maintenance and development of parks; and reviews the budget for all park activities.

### Plan commission

The nine-member commission reviews all applications for planned unit developments, zoning code amendments, special use permits and lot subdivisions and then forwards recommendations to the village board. The commission also reviews the exterior appearance and site plan for all nonresidential development and renders decisions on all sign permit applications.

### Police pension fund board

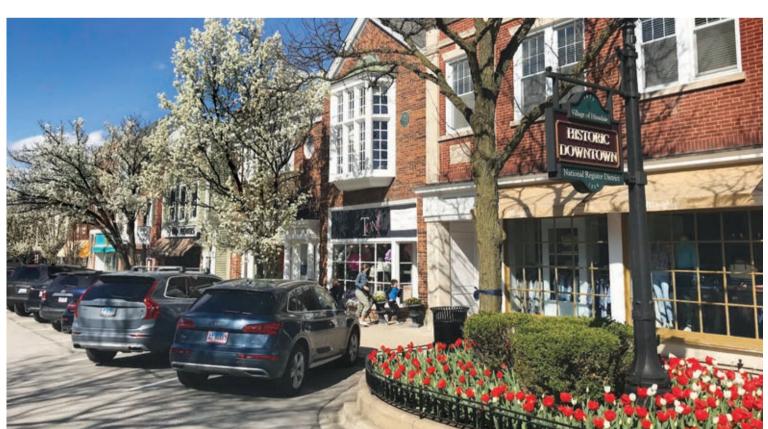

The five-member board deals with the investment of pension funds — making determinations as to an officer's ability to qualify for the fund and rules or questions of disability pay.

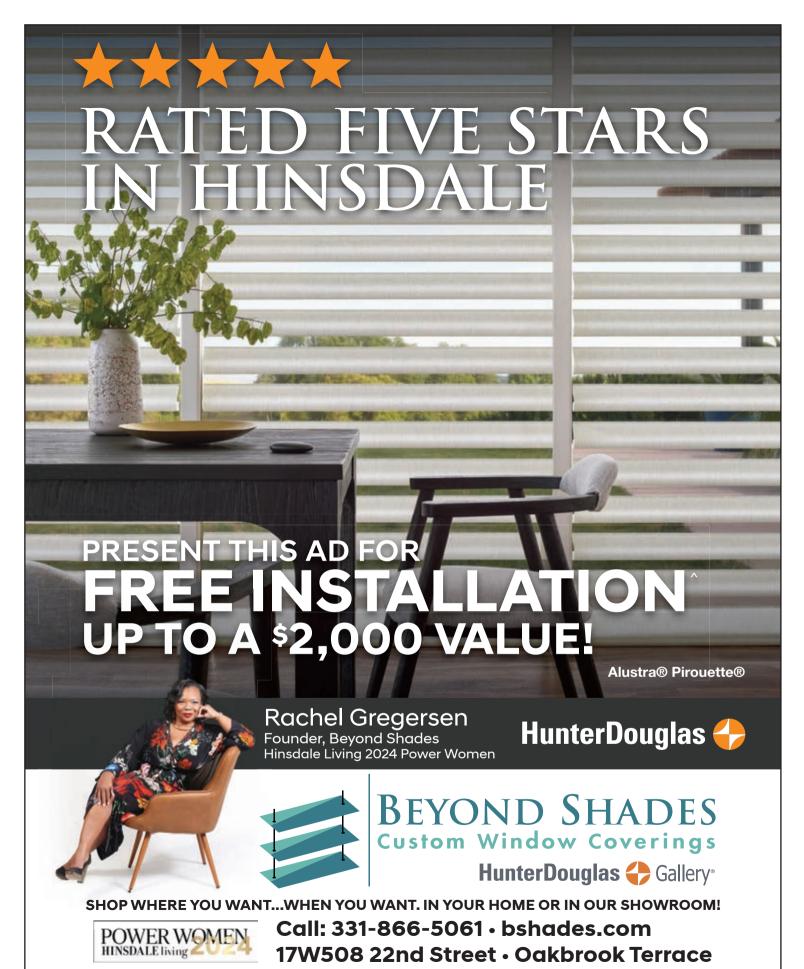

### Zoning board of appeals

The seven-member board reviews and renders decisions on all variations to the regulations of the zoning code. In addition, the board reviews appeals on matters where the applicant believes staff has misinterpreted the code. The only appeal an individual can make beyond the board is to the Circuit Court System.

One sticker must be placed on each 34-gallon biodegradable paper bag. Plastic bags or cans containing yard waste will be left uncollected even if there is a sticker on them. Solid waste and landscape waste may not be mixed. Landscape waste will be picked up between April 1 and December 1 of each year.

### Do I need a vehicle sticker?

Yes. Vehicle stickers and animal licenses may be purchased at village hall, 19 E. Chicago Ave. Renewal applications are mailed each year.

A permanent bicycle license is available and may be obtained for free at the police department. All bicycle riders are required to obey the same traffic regula-

tions as motorists. Warnings will be issued by the police department to all bicyclists not complying with traffic regulations and records of warnings given will be kept. Assignments may be made to special bicycle safety education classes and traffic tickets may be issued to habitual violators over age 16. Bicycle "Rules of the Road" may be obtained from the police department.

### Do I need an animal license?

Licenses for neutered male and female dogs and cats are \$5, \$20 for unneutered male or female dogs and cats. Animal licenses are due April 30 each year. ### Village SERVICES

police department's website via the overnight parking permission quick link.

Central Business District

Free parking is available for shoppers and diners in the 3-hour parking zone which encompasses close to 300 parking spaces in the central business district.

Up to six hours of free parking is available in the lower portion of the parking deck. Paid parking is available in the Washington, Garfield and village lots.

### What is the speed limit in town?

Traffic ordinances are strictly enforced for the safety of Hinsdale motorists. Speed limits are 25 mph on most streets except in the business district and school zones, where the limit is 20 mph or otherwise as posted.

### When can I water my lawn?

Because the village of Hinsdale receives water from Lake Michigan, water conservation measures are required by the Illinois Department of Natural Resources, Office of Water Resources, to restrict outdoor water use and to encourage conservation. Lawn sprinkling restrictions are in effect May 15 through Sept. 15. During this period, lawn sprinkling is allowed from 6 to 10 a.m. and 6 to 10 p.m. Even-numbered street addresses water on even number days. Odd-numbered street addresses water on odd number days. A temporary permit is available to water newly seeded or sodded grass. Contact the village at (630)789-7070 with questions. If necessary, these restrictions can be expanded by the village manager; residents will be notified of any changes.

### What is included in my water bill?

A sewer use charge of 15 percent of the net water bill is made for all homes and businesses connected to the village sanitary sewer system. These funds are used to keep sanitary sewers in good working order through a program of cleaning, maintenance and repair. Some homes in Hinsdale near 55th Street are served by sewers owned and maintained by the Flagg Creek

Water Reclamation District (a separate government agency). Flagg Creek also levies a sewer use charge that is billed to each home in Hinsdale served by the district.

That sewer use charge is used to pay the cost of collection and treatment of sewer wastes. Call Flagg Creek at (630) 323-3299.

### Who supplies water to the village?

Water is supplied to the village through the DuPage Water Commission, which purchases water from the city of Chicago. The village is one of 23 charter customers of the commission who receive their water from Lake Michigan. The central pumping and pressure adjusting facility for the village is located at 217 Symonds Drive. Water quality is monitored daily to ensure uniform quality and purity. The water is very low in sodium, total dissolved solids and has a hardness of about eight grains. Contact the water billing department at (630)789-7020 for questions about water bills.

### When do I need a building permit?

Building permits are required for building construction, alterations, repairs and demolition. Separate permits are required for electrical work, plumbing, driveways, water-Freon-cooled air conditioning units, fences, decks and porches. Permit fees vary with the nature and scope of the work. Permits are issued by the building department at village hall. Detailed plans must accompany permit applications. Commercial construction requires approval of the Hinsdale Plan Commission and Hinsdale Village Board prior to issuance of permit. Commercial signs require plan

commission approval and a permit. A separate permit for sewers is required from the Flagg Creek Water Reclamation District before a building permit is issued by the village.

### What controls building in the village?

Hinsdale's zoning ordinance is strictly enforced. The zoning ordinance regulates land use, setbacks, side yards, rear yards, heights, intensity of use and off-street parking. Appeals for variations from the zoning ordinances may be filed with the Hinsdale Zoning Board of Appeals. For more information, call the building commissioner at (630) 789-7036.

### Can I burn leaves in my backyard? Can I have an outdoor fireplace?

Hinsdale's air pollution control ordinance prohibits all open burning, including backyard incineration in a container of any type or the burning leaves or any other materials on private or public property. Fires for the purpose of barbecuing or fires in indoor, private replaces are permitted provided the smoke coming from these fires does not exceed the limits of white or very light gray smoke as set forth in the ordinance.

Smokestack and chimney emissions from stores, institutions, apartment buildings and one or two-family residences are also regulated by the ordinance. To report a violation of the air pollution control ordinance, call the air pollution control of officer at (630) 789-7030.

### Village SERVICES

### What are the phone numbers for the police and fire departments?

Emergency — 911

**Police administration** — (630) 789-7070 **Fire administration** — (630) 789-7060

Police services, in addition to crime prevention and enforcement of laws, also include youth services, home security inspections, home watch program, as well as a reassurance program, which is a daily phone call check of senior citizens, those with disabilities, and others, particularly those living alone.

Fire protection services are provided by a department that has efficient, up-to-date equipment including emergency paramedic ambulance service. A continuing facet of the department's work is providing classes in cardiopulmonary resuscitation (CPR), which are open to the public, home inspections, and fire prevention information with safety recommendations, all of which can be arranged by calling (630) 789-7060.

### Who do I call about street repairs?

Potholes and routine repairs are made by the public service department. Major resurfacing work is done on streets previously constructed to village standards with state motor fuel tax funds allocated to the village. New street construction is done through a special assessment or special service area financing of property owners whose property is benefited from the improvement.

### Who maintains parkway trees?

Tree planting, trimming and removal on public grounds, including parkways, is done on a scheduled basis by the village tree crew.

Report diseased elm trees to the public services department for prompt inspection.

Homeowners are required to remove diseased elms on their property within 10 days after notice to protect against the spread of the disease to another tree. The village removes diseased elms from the parkway.

The village replacement trees have trunks 2 inches in diameter.

If a resident wishes to plant a larger tree on the parkway, they should call the village at (630) 789-7030 to discuss the species of tree and cost involved.

### Where can I register to vote?

Cook and DuPage county residents may register to vote at the village clerk's office at the Memorial Building, 19 E. Chicago Avenue, from 9 a.m. to 4 p.m. Tuesday through Friday. Call (630) 789-7011 for more information.

DuPage County residents also may register to vote at the Hinsdale Public Library, 20 E. Maple Street, during normal business hours.

#### **Candor Health Education**

15 Spinning Wheel Road, Suite 410, Hinsdale (630) 325-1900 candorhealthed.org

Candor Health Education is celebrating its 50th anniversary. Formerly the Robert Crown Center for Health Education, we continue to partner with more than 660 schools across 14 counties, ensuring that young people receive accurate health and prevention information as they transition from elementary to middle school and high school. Last year, our 14 health educators taught sex education and substance abuse prevention topics to more than 81,000 fourth- through eighthgrade students. We provide in-person programs to schools

within 35 miles of our Hinsdale office and live virtual programs to schools. Our live virtual programs became popular during the pandemic. Students feel comfortable asking questions in our anonymous chat via Zoom.

All our programs include social-emotional learning topics designed to help students improve their communication, decision-making, goal-setting and learning strategies to manage stress and anxiety in a healthy manner. In that same vein, we provide parents with program overview recordings so they can prepare to answer questions afterward. Our curriculum is detailed on our website (by topic and age group), spanning from fourth- and fifth-grade puberty class and sixth-grade human reproduction and embryology to teen

sexual health classes for seventh- and eighth-graders. We have long-standing relationships with Chicago area schools and families and, as a trusted resource, continue to meet the needs of diverse communities.

We have fundraisers throughout the year so we

can provide health education programs to as many students as possible. Go to our website to join our mailing list: candorhealthed.org, or follow us on your favorite social media channel by searching our handle: @candorhealthed.

# Community Memorial Foundation

15 Spinning Wheel Road, Suite 326, Hinsdale (630) 654-4729 cmfdn.org

Community Memorial Foundation is a private health conversion foundation estab-

lished in 1995. The foundation's grantmaking and community work are guided by its mission — to measurably improve the health of those who live and work in the Western Suburbs of Chicago. Throughout nearly 30 years of regional investment, CMF has proudly awarded more than \$80 million to non-profit organizations serving

the Western Suburbs of Cook County and southeastern portion of DuPage County.

Through its partnership with grantee organizations and community stakeholders, Community Memorial Foundation manages a grantmaking portfolio that includes a Regional Health and Human Services Agenda, Responsive Grants Program and Building Organizational Effectiveness Program.

Its integrated regional agenda identifies health and human service priorities for the foundation's service area and highlights corresponding indicators to track progress over a 10-year time frame. The agenda, and the community programs funded in support of it, advance the triple aim of healthcare: to improve population health, improve the patient's experience of care and reduce cost.

The foundation's Responsive Grants Program provides funding that empowers local nonprofit organizations to address issues that impact overall community wellness, including health care, health equity, food access and housing. CMF's grantmaking is guided by its mission and its vision of transforming the region into the healthiest in the country.

Through the Building Organizational Effectiveness Initiative, Community Memorial Foundation provides grantee organizations with continuous learning opportunities to facilitate effective management, sound governance and increased organizational capacity. Offerings include organizational assessment, technical assistance grants and a Leadership Institute for nonprofit executives. The BOE program also includes YC2, a youth philanthropy program designed to educate and empower local high school students to become our community's next generation of philanthropists.

#### Graue Mill & Museum

3800 S. York Road, Oak Brook (630) 850-8112 dupageforest.org

#### Graue Mill

Graue Mill, located off York Road, one half mile north of Ogden Avenue, is the only operating water-wheel gristmill in the greater Chicago area. Fred Graue built the mill in 1852 to serve the surrounding countryside of Brush Hill (Hinsdale), and it served the community until the turn of the century when modern milling methods rendered the old mill obsolete.

Today, thousands of visitors annually view the basic milling process. After browsing the museum store on the ground

floor, they may also stroll the museum's upper stories, which contain an old-fashioned barn. a nostalgic child's room, a Victorian drawing room, an early American kitchen and sitting room, and an old country store complete with genuine rock candy and high-button

Spinning and weaving artisans provide demonstrations and events are held on weekends when the mill is open.

Season

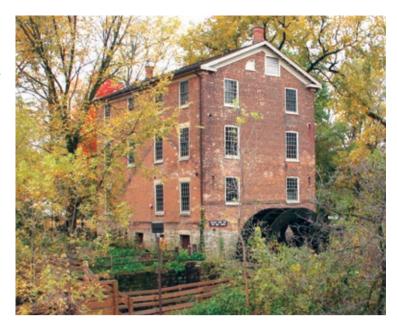

Mid-April to mid-November, Thursdays through Sundays.

Admission: Free

Groups of 20 or more require a reservation. Call (630) 850-8112.

#### Frederick Graue House

The Frederick Graue House,

built in 1859, stands next to Graue Mill. Restored and opened to the public in 2002, the house is a fine example of Italianate architecture. The interior of the house has been converted into a multi-use facility and is used for special programs and exhibits by Graue Mill.

For more information regarding rental of the Frederick Graue House, please call 630-850-8112. The DuPage County Forest Preserve District owns, operates and maintains the Frederick Graue House. Graue Mill and the surrounding grounds.

#### **HCS Family Services**

22 North Elm St., Hinsdale (630)323-2500 hcsfamilyservices.org

For the past 8 years, HCS has provided caring and compassionate support for people living on the margin in the Western Suburbs of Chicago. We strive to prevent food-insecurity (having reduced quality and/or amount of food intake) and help our low-income neighbors and

their families achieve sustained self-sufficiency and improved quality of life. HCS Family Services provided groceries to more than 15,000 families in

nutritious foods through generous donations from the community. We can buy \$8 worth of food for every \$1 donated through our partnership with the Northern Illinois Food Bank.

We could not fulfill our mission without the time and tal-

We can provide healthy and

ents of volunteers. In 2023, more than 5,000 volunteers from our community were engaged in the work of HCS. Our volunteers load carts, register pantry guests, sort food, bag groceries and work in our office.

We have many partners that include the Northern Illinois Food Bank, UChicago Medicine AdventHealth, local churches, schools and community organizations. These groups provide volunteers for special projects, host food drives and/or raise funds, while bringing our mission of championing food insecurity to life.

HCS provides holiday gifts to individuals and families who rely on food pantries and do not have the means to purchase gifts for themselves and family members. We coordinate with area churches, schools, and philanthropic groups whose members purchase gifts listed on participants' holiday wish lists. In 2023, we provided gifts to 786 individuals.

In July, HCS began a partnership with UChicago Medicine AdventHealth Hinsdale and the Seventh-day Adventist Church to provide food for patients identified as food insecure.

In August, we moved to our new facility at 22 N. Elm St., the former Hinsdale Humane Society. We also operate a school-based pantry in Willowbrook. We provide food, personal items, and paper products (free of charge) to more than 15,000 families per year. We purchase food from the Northern Illinois Food Bank, rescue food from area grocery stores 461,000 pounds in 2023), and work with individuals and community organizations to sponsor food drives.

We distribute food using a pick up model in Hinsdale on Mondays and Fridays. In Willowbrook, our pantry guests can shop inside the pantry (families of CCSD 180 only) or pick up food on Wednesdays.

#### **Hinsdale Historical Society**

# 15 S. Clay Street, Hinsdale (630) 789-2600 hinsdalehistory.org

Incorporated in 1975, the Hinsdale Historical Society bridges the past, present and future by engaging the community with its architecture and history. Serving as the repository for Hinsdale's rich history, the society collects and preserves archival material and artifacts for research and exhibition. As a nonprofit supported entirely by memberships, donations and fundraising, the society maintains three historic properties, offers a variety of educational programs and collaborates with the community to instill pride in Hinsdale's heritage.

#### • The Hinsdale History

#### Museum, 15 S. Clay St.

This 1874 home depicts the life of a middle-class family during the village's early years prior to 1900. Donated by Community Consolidated Elementary District 181, the house was relocated to Eleanor's Park in 1981. A full restoration resulted in seven period rooms filled with authentic antiques and space for small exhibits, programs and a gift shop. The Hinsdale Garden Study Club tends the beautiful Victorian garden. Open to visitors by appointment. Admission is free, but donations are appreciated.

# • Immanuel Hall, 302 S. Grant St.

This 1900 church, saved from demolition in 1999, is home to the society's local history archives and the Roger and Ruth Anderson Architecture

Center. The archives are open for research by appointment. The Hall is also available for use for community meetings, nonprofit fundraisers, public seminars, musical recitals and more.

# • R. Harold Zook Home & Studio, 5905 S. County Line Road

In 2005, the society saved the Cotswold-style cottage designed for his family by Hinsdale architect R. Harold Zook. The home and studio were moved to Katherine Legge Memorial Park next to the Zook-designed lodge. Although still in the rehabilitation process, the building's unique architectural style can

still be enjoyed within the historic park setting.

The Society, in partnership with Hinsdale's Historic Preservation Commission, launched Historical Tourist: Hinsdale. The tours on the app detail the local architecture and stories of Hinsdale's past. It's free to download for Apple and Android devices.

Historical society members enjoy member-only events, social gatherings and many other benefits.

#### Hinsdale Humane Society

# 21 Salt Creek Lane, Hinsdale (630) 323-5630 hinsdalehumanesociety.org

Since 1953, Hinsdale Humane Society has dedicated itself to providing innovative care and adoption services for animals.

HHS is a private, nonprofit organization that operates the Tuthill Family Pet Rescue & Resource Center. Hinsdale Humane Society provides

innovative care and adoption services for all animals, including those that are more challenging to place in forever homes. Our mission includes educating the community, advocating for animal welfare, facilitating pet adoptions and serving as a voice for animals who rely on us for their care. Through community outreach and progressive programming, we nurture the human-animal bond and strive to ensure the compassionate treatment of all animals.

We are committed to helping pet owners keep their companion animals in their homes through support, community pantries, vaccination clinics and connections to additional resources. Our training and enrichment program also focuses on classes and individual training to foster a healthy, positive bond between people and their companion animals.

Every year, more than 1,800 animals come into our shelter.

Each animal receives a health examination, vaccinations, spay/neuter, a microchip and a behavior assessment. They are fed, loved and cared for while in our care. During their stay with us, the animals will be involved in enrichment activities and training to ensure they are happy, healthy and ready for their forever home.

Educating our community is also a vital part of what we do. Our Humane Education program offers fun and innovative ways for community members to advocate for the humane treatment of animals and to explore the special bond between humans and pets. This program includes tours, volunteering, camps and youth programs.

For more information about Hinsdale Humane Society, our programs, the services we provide, how to become a volunteer, donate, foster or adopt, please visit hinsdalehumanesociety.org.
